

# Indiana YouthPRO Association

## A Strong Voice – Your Professional Choice

**Mission:** To advance the professional practice of youth development

**Our Values:**

- Our profession of caring for and developing young people is essential to the growth and development of healthy communities throughout the state of Indiana.
- Highly trained, well-skilled and caring youth workers lead to excellent programs and services for Indiana's youth.
- High retention of qualified youth workers will occur as a result of universally recognized career paths with continual opportunity for advancement; and pay and benefits commensurate with experience and education.
- Youth workers are able to be more successful when they collaborate, cooperate, and support one another rather than work in isolation.
- A positive community of peers is foundational to attracting, retaining and sustaining quality youth workers.
- Partnerships with youth development organizations to advance the welfare of youth is essential to positive youth work.

## MEMBERSHIP OPTIONS

**SUSTAINING MEMBERSHIP:** By becoming a Charter Member of Indiana YouthPRO, your agency/organization joins a new group that is unique in Indiana. This new group has the advantage of being able to capitalize on the past experience and efforts of ISAC—an Indiana leader in youth development professionalism. An expanded mission affords greater benefits and opportunities for the broad range of individuals and organizations that make up the field of youth work in Indiana. Your Charter Membership provides YouthPRO resources to begin its work and provides you with the opportunity to help guide the direction of our work.

- **Charter Agency Membership:** \$500 per year for two years
  - 10 full-time staff become members of the Association
  - Additional staff may join YouthPRO for \$30 each
  - Recognition in various ways, i.e., on website, various media materials and a certificate or recognition
- **Charter Individual member:** Commitment of \$100 per year for 2 years
  - Recognition on plaque.
